## BRING YOUR BIG IDEAS!

Share your hopes and dreams for the future of the City of Hancock.  
Attend a Launch Party for Hancock's Master Plan.

**BOTH EVENTS WILL FOLLOW THE SAME FORMAT, SO ATTEND THE LAUNCH PARTY THAT IS MOST CONVENIENT FOR YOU.**

We're updating our **Community Master Plan (CMP)** that will define our vision of how the City of Hancock will grow and develop over the next 5 years. A CMP can address topical concepts related to land use such as equity, housing, environmental justice, and economic development. It's time to update our CMP that was developed in 2018 and we need your help! Our goal is to gather perspectives and input from residents to help create a vision for our future. These family-friendly events will provide snacks and interactive activities.
